(steel beams, timber beams, concrete, etc.)	

*****The operator at the landfill may assess additional charges for loads carrying the items listed below. This list applies to all landfill users*****

Automobile or Light Truck Tire

Whole.....	\$5.00/each
Cut in half.....	\$3.00/each
Quartered.....	Regular Waste
Whole Tractor, Trailer, or Truck.....	\$10.00/each
Whole Heavy Equipment.....	\$25.00/each

*****Maximum of 10 tires disposed of at one time*****

Small White Goods	\$2.00/each
(water heaters, dishwashers, bicycles, refrigerators, freezers, ranges, washers, dryers, lawnmowers, etc.)	
Large Appliances	\$5.00 to \$25.00/each

Appliances Needing Refrigerant Removed.....\$30.00 additional charge

*****All refrigerators and freezers must have the doors removed and be empty*****

Deceased Animals

Small (250 lbs. & under).....	\$15.00/head
Large (over 250 lbs.).....	\$30.00/head

We also take batteries (car, truck, marine, etc.). They are charged as part of your regular load. We have a designated drop off location for these to be unloaded and recycled.

All metal and wire will be diverted to the scrap metal pile for recycling. Please make every attempt to separate the metal and wire beforehand so it can be easily unloaded at the designated metal recycling area.

Contaminated soils and non-friable asbestos must have prior approval from management.

Mobile Units/Structures please call 406.582.2493 for disposal process and fees.
